Examining Best Choice Cabinets, Amish Made Cabinets, features and options that make a great cabinet even better.

Solid built cabinetry, solid wood doors, end panels, face frames and cabinet frames, solid wood supports, steel hardware and fasteners. Minimal use of mdf or particle board (only in certain paint applications).

Soft close, full length pullouts and drawers!

Unique features as well, like hidden outlets, mixer lifts, pantry enhancements, pull out spice racks, unique pot and pan storage options and usb charging drawers!

If you've seen a cabinet feature or option elsewhere, tell us about it, we can get it for you!

6-way adjustable, quick disconnect hidden hinges.
